MEMORANDUM FOR HQ AFCEE/DCH

FROM: HQ USAF/ILEI
1260 Air Force Pentagon
Washington DC 20330-1260

SUBJECT: Design Instructions for FY 02 Housing Privatization Program

Request you begin development of the FY02 military family housing privatization projects as outlined in the Family Housing Master Plan that include the following Air Force bases: Beale, Nellis, McGuire (to include the FY00 Ft. Dix requirement), Andrews, Lackland (second phase), Altus, Hickam, and Hurlburt/Eglin. We understand the first step in this process is the development of the project information packages (PIP). Funds to begin developing the PIPs will be available in FY01 from AF/ILEH.

We also understand the privatization support contractor (PSC) to be used on these projects will result from the PSC "umbrella contract" currently advertised. We have SECAF support for this and anticipate additional correspondence to the MAJCOMs will be forthcoming from SECAF, CSAF and AF/IL further supporting housing privatization and AFCEE as the Air Force Center for Housing Excellence.

Please contact me or Mr. Franklin, DSN 664-4222, if you have questions.
