

Headquarters U.S. Air Force

Integrity - Service - Excellence

Defense Environmental Restoration Program (DERP) Management Guidance

**Environmental Restoration Summit
Regions 5, 6, 7, and 8
AF Internal Meeting**

U.S. AIR FORCE

**Lt Col David Roe
HQ USAF/ILEVR
9 Aug 01**

U.S. AIR FORCE

DERP Management Guidance

- **Ranges**
- **Work Classification**
- **End of Program**
- **Miscellaneous**

U.S. AIR FORCE

DERP Management Guidance Ranges

- **Closed ranges/sites eligible for funding**
 - **Release occurred before 30 Sep 02 and range closed before 30 Sep 02**
 - **Use UXO Program Element (PE - 0708003F), for both UXO and munitions contamination**
 - **Earliest available additional program funding - Soonest is FY04**
- **Ranges/sites in AFRIMS/RMIS now stay in existing ER program**
 - **There will be no additional funding provided (Hint - Can you close out and open under new PE?)**

U.S. AIR FORCE

DERP Management Guidance Ranges

- **Range funding requirements will be initially gathered by range questionnaire**
 - **ILEV will send out 1 Sep - response deadline 31 Oct**
 - **Data will be transferred from questionnaire to AFRIMS in future**

U.S. AIR FORCE

DERP Management Guidance Work Classification

- **Any design/construction over \$1M will be MILCON**
 - **Construction = facility remains after response is done**
 - **Excludes items that will not be used after response is complete (e.g. - equipment in pump & treat plant)**
 - **Excludes management, investigation through RI/FS, operations, repair, maintenance, and monitoring costs**
 - **Includes landfill caps**
 - **Details on programming yet to be determined but:**
 - **DD1391 to Congress is likely**
 - **Funds transfer from ER to MILCON account is likely**
- **Must Army or Navy be construction agent? - TBD**

U.S. AIR FORCE

DERP Management Guidance End of Program

- **Sites will transfer to O&M when they are response complete**
 - **Achieves ROD/DD response objectives and unrestricted land use - immediate transfer**
 - **Achieves ROD/DD response objectives but land use restricted - transfer upon completion of 5 year review**
- **Sites come back to ER program (reopened site) if additional response actions required**
- **ER programs funds to site closeout, transfers funds (and possibly manpower) with site transfer**

U.S. AIR FORCE

DERP Management Guidance Miscellaneous

- **Financial Liabilities Submittal Date - 15 Oct**
 - **Can you meet it - why not? (Excludes range liability - FY01 = \$0)**

- **Web Site - Scheduled to be on-line 21 Sep w/IL website**
- **ILEVR Candidates**
- **AFI 32-7020 Waiver - RACER not mandatory for RA-O, LTM, manpower and management where document historical costs available**
