

<b>Customer Relations &amp; Education</b>				
<b>#</b>	<b>Environmental Compatibility Indicator</b>	<b>Yes</b>	<b>Partial</b>	<b>No</b>
1	Are the course manager and superintendent involved in a long-term customer educational program that is regularly updated and documented?			
2	Is there a conveniently located and highly visible place at the course or clubhouse where golf course environmental management notices and informational messages are regularly posted?			
3	Do the course manager and superintendent actively communicate with customers to determine and document their points of view?			
4	Is there active and regular communication with the Golf Council, Civil Engineering, Environmental Management, the Services manager, and commanders by course management?			
5	Are there warning signs posted near parking lots to make highly sensitive individuals aware of the potential danger to their health and are all state posting requirements being met?			
6	Is there consistent and attractive signage around the course and grounds that would increase the awareness of the average golfer to the environmental management practices employed?			
7	Are there signs appropriately located to warn golfers of hazards when drinking reclaimed or otherwise non-potable water?			
8	Are there interpretive signs posted to highlight key habitats or have appropriate areas been designated "Environmentally Sensitive Zones" per USGA rules?			
9	Are course staff members trained regularly on how to improve their dealings with customers?			
10	Are there clinics provided to teach beginning golfers the basics of the game and to teach all levels of golfers the rules of the game?
