

TABLE OF CONTENTS

CHAPTER 1 INTRODUCTION	1-1
1.1 Introduction.....	1-1
1.2 Goals and Objectives.....	1-1
1.3 Description of the Planning Process.....	1-1
1.4 References	1-1
CHAPTER 2 PLAN FINDINGS AND RECOMMENDATIONS	2-1
2.1 Introduction.....	2-1
CHAPTER 3 INSTALLATION AND VICINITY PROFILES 3-1	
3.1 Introduction.....	3-1
3.2 Installation Profile.....	3-1
3.3 Vicinity Profile.....	3-1
CHAPTER 4 COMPONENT PLAN OVERVIEW4-1	
4.1 Introduction.....	4-1
Section A Composite Constraints And Opportunities.....	4-3
4.2 Introduction.....	4-3
4.3 Natural, Cultural, and Environmental Constraints.....	4-3
4.3.1 Natural and Cultural Resources.....	4-3
4.3.1.1 Historic and Archeological Sites.....	4-3
4.3.1.2 Threatened and Endangered Species.....	4-3
4.3.1.3 Wetlands and Floodplains.....	4-3

4.3.1.4	State Coastal Zones.....	4-3
4.3.1.5	Lakes, Rivers, and Streams.....	4-3
4.3.1.6	Soils.....	4-3
4.3.1.7	Geology.....	4-3
4.3.1.8	Topography and Physiography.....	4-3
4.3.1.9	Vegetation.....	4-3
4.3.1.10	Forests.....	4-3
4.3.1.11	Agricultural Outleasing.....	4-3
4.3.1.12	Fish and Wildlife.....	4-3
4.3.1.13	Bird Aircraft Strike Hazard (BASH).....	4-3
4.3.1.14	Pest Management.....	4-4
4.3.1.15	Outdoor Recreation Areas.....	4-4
4.3.1.16	Climate and Weather.....	4-4
4.3.2	Environmental Quality.....	4-4
4.3.2.1	Hazardous Waste Generation and Storage Points.....	4-4
4.3.2.2	Solid Waste Disposal and Recycling Points.....	4-4
4.3.2.3	Fuel Storage Tanks.....	4-4
4.3.2.4	RCRA, IRP, and Toxic Substances.....	4-4
4.3.2.5	Air Emission Sources and Inventory.....	4-4
4.3.2.6	Wastewater Point Source Discharges.....	4-4
4.3.2.7	Stormwater Non-Point Source Discharges.....	4-4
4.3.2.8	Drinking Water Supply Sources and Monitoring Sites.....	4-4
4.3.2.9	Radon Emissions.....	4-4
4.4	Operational and Built Constraints.....	4-4
4.4.1	Airfield Clearance.....	4-4
4.4.2	Explosive Safety Zones.....	4-4
4.4.3	Electromagnetic Radiation Safety Zones.....	4-4
4.4.4	Antenna Look-Angles.....	4-4
4.4.5	Security Clear Zones.....	4-4
4.4.6	Launch Operation Hazard.....	4-5
4.4.7	Noise.....	4-5
4.4.8	Other.....	4-5
4.4.9	Off-Installation Constraints.....	4-5
4.5	Opportunities.....	4-5
4.5.1	Off-Installation.....	4-5
4.5.2	Installation.....	4-5
4.6	Conclusions and Summary.....	4-5
Section B	Infrastructure	4-7
4.7	Introduction.....	4-7
4.8	Utility Systems Introduction.....	4-7
4.9	Water System.....	4-7
4.9.1	Existing Conditions	4-7
4.9.2	Planned Improvements.....	4-7

4.9.3	Assessment.....	4-7
4.10	Sanitary Sewer System.....	4-7
4.10.1	Existing Conditions.....	4-7
4.10.2	Planned Improvements.....	4-7
4.10.3	Assessment.....	4-7
4.11	Storm Drainage System.....	4-7
4.11.1	Existing Conditions.....	4-7
4.11.2	Planned Improvements.....	4-7
4.11.3	Assessment.....	4-7
4.12	Electrical System.....	4-7
4.12.1	Existing Conditions.....	4-7
4.12.2	Planned Improvements.....	4-7
4.12.3	Assessment.....	4-8
4.13	Central Heating and Cooling Systems.....	4-8
4.13.1	Existing Conditions.....	4-8
4.13.2	Planned Improvements.....	4-8
4.13.3	Assessment.....	4-8
4.14	Natural Gas System.....	4-8
4.14.1	Existing Conditions.....	4-8
4.14.2	Planned Improvements.....	4-8
4.14.3	Assessment.....	4-8
4.15	Liquid Fuels Systems.....	4-8
4.15.1	Existing Conditions.....	4-8
4.15.2	Planned Improvements.....	4-8
4.15.3	Assessment.....	4-8
4.16	Industrial Waste Water System.....	4-8
4.16.1	Existing Conditions.....	4-8
4.16.2	Planned Improvements.....	4-8
4.16.3	Assessment.....	4-8
4.17	Other Utility Systems.....	4-8
4.18	Utility Systems Summary.....	4-8
4.19	Communications Systems.....	4-8
4.19.1	Information Transfer System.....	4-9
4.19.1.1	Existing Conditions.....	4-9
4.19.1.2	Planned Improvements.....	4-9
4.19.1.3	Assessment.....	4-9
4.19.2	Telephone Switching System.....	4-9
4.19.2.1	Existing Conditions.....	4-9
4.19.2.2	Planned Improvements.....	4-9
4.19.2.3	Assessment.....	4-9
4.19.3	Data Communications.....	4-9
4.19.3.1	Existing Conditions.....	4-9
4.19.3.2	Planned Improvements.....	4-9
4.19.3.3	Assessment.....	4-9
4.19.4	Long-Haul Communications.....	4-9

4.19.4.1	Existing Conditions.....	4-9
4.19.4.2	Planned Improvements.....	4-9
4.19.4.3	Assessment.....	4-9
4.19.5	Radio Systems.....	4-9
4.19.5.1	Existing Conditions.....	4-9
4.19.5.2	Planned Improvements.....	4-9
4.19.5.3	Assessment.....	4-9
4.20	Fire Protection.....	4-9
4.20.1	Existing Conditions.....	4-9
4.20.2	Planned Improvements.....	4-10
4.20.3	Assessment.....	4-10
Section C	Land Use	4-11
4.21	Introduction.....	4-11
4.22	Existing Land Use.....	4-11
4.22.1	Installation Land Use.....	4-11
4.22.2	Off-Installation Land Use.....	4-11
4.22.3	Air Installation Compatible Use Zone (AICUZ) Program.....	4-11
4.23	Functional Relationships Analysis.....	4-11
4.24	Future Development Needs.....	4-11
4.25	Future Development Alternatives.....	4-11
4.26	Future Land Use.....	4-11
4.26.1	Installation.....	4-11
4.26.2	Off-Installation.....	4-11
4.27	Transportation.....	4-11
4.27.1	Introduction.....	4-11
4.27.2	Local and Regional Network.....	4-11
4.27.2.1	Off-Base Street Network.....	4-11
4.27.2.2	Inter-connecting Bicycle/Pedestrian Routes.....	4-11
4.27.2.3	Highway.....	4-11
4.27.2.4	Mass Transit.....	4-11
4.27.2.5	Air.....	4-11
4.27.2.6	Rail.....	4-11
4.27.2.7	Water Port.....	4-12
4.27.3	Installation Network.....	4-12
4.27.3.1	Roadways/Streets	4-12
4.27.3.2	Parking.....	4-12
4.27.3.3	Pedestrian Routes.....	4-12
4.27.3.4	Bicycle Paths.....	4-12
4.27.3.5	Installation Shuttle Bus.....	4-12
4.27.3.6	Military Passenger/Cargo Terminals.....	4-12
4.27.3.7	Installation Railheads.....	4-12
4.27.4	Future Transportation Plan.....	4-12
4.27.4.1	Off-Installation.....	4-12

4.27.4.2 Installation.....	4-12
Section D Capital ImprovementsProgram	4-13
4.28 Introduction.....	4-13
4.29 Facility Development.....	4-13
4.29.1 Existing Facilities.....	4-13
4.29.2 Needs and Alternatives.....	4-13
4.29.3 Future Development Plan.....	4-13
4.30 Urban Design.....	4-13
4.30.1 Architectural Compatibility.....	4-13
4.30.1.1 Existing Conditions.....	4-13
4.30.1.2 Concepts and Future Directions.....	4-13
4.30.2 Landscape Development.....	4-13
4.30.2.1 Existing Conditions.....	4-13
4.30.2.2 Concepts and Future Directions.....	4-13
4.30.3 Area Development Plans.....	4-13
4.30.3.1 Goals and Objectives.....	4-13
4.30.3.2 Facilities.....	4-13
4.30.3.3 Infrastructure.....	4-13
4.30.3.4 Architecture/Landscape.....	4-14
4.30.4 Housing Community Plans.....	4-14
4.30.5 Quality of Life.....	4-14
CHAPTER 5 PLAN MAINTENANCE, REVISION, AND IMPLEMENTATION	5-1
5.1 Introduction.....	5-1
5.2 Responsibilities.....	5-1
5.3 Procedures.....	5-1
